We are in receipt of a card from Hennessey, O. T., which bears this inscription: "Farmer and Mechanic Bank, Geo. E. Gilmore, cashier." Mr. Gilmore has many friends in Chickasha who will be glad to learn of his success, but we all wonder whether that high collar goes with the rise in position.

Dr. Tye returned this morning from Bowie, Texas, where he has been attending a meeting of the Northwest Texas Medical Association, and reports having had a good time and an instructive meeting.

The Epworth League has elected the following officers for the next year:

J. T. Aust, president.
D. E. Emerson, 1st vice-president.
Miss Edith Baker, 2nd vice-pres.
Miss Clyde Watson, 3rd vice-pres.

A committee on printing was also appointed.

Miss Baker was instructed to send for three courses of League literature.

Ed Irwin, the photograph man, was taking views near the city yesterday, when a big buck deer came up for an interview. He was taken in, and his carcass now adorns the studio. Ed takes anything from the picture of a bab, to a buck deer.

Errors will happen in the best regulated families, and also in the best of print shops. In this case it is chargeable to both. In the account of Master Darwin Early's birthday party, yesterday, a few names of the visitors were left out because they were written on the other side of the paper, where the compositor seldom looks for copy. To rectify the matter we re-print the story with the omitted names added. The Express strives all the time to do justice to all.

Master Darwin Early was ten years old yesterday, and impressed the same indelibly on the minds of his young friends by giving them a party at Hotel Early. The following future senators and first ladies of the land made up the party:

Bob Ranken, John Ranken, Harmon Holding, Ben Lewis, Layton Armstrong, Joe Barney, George Murphy, Ed Barney, Don Scofield, Nina Tuttle, Nellie Goden Belle Scofield, Bertie Sayer, Maubeth Holding, Maud McCoy, Augusta Savage, Washi Claycomb, Mary Emerson, Agnes Golden, Crofford Cameron, Evan Cameron, Don Cameron, Imogene Cameron.

The Steam Laundry started their horse and wagon, with four or five outriders, a la Buffalo Bill's big show style, on a collecting, or distributing, or advertising tour this forenoon. The result was two smashed up wheels and spoiled horse.

SOROSIS.

The second meeting of Sorosis Club this year was held at the residence of Mrs. D. E. Emerson, in west Chickasha Avenue yesterday afternoon, at 3 o'clock. Meeting called to order by President, Mrs. T. B. Biggers.

Roll call responded to with quotation from authors.

An interesting paper on the generals of our late wars, Cuba, the Philippines, etc was read by the hostess, Mrs. Emerson.

Mrs. Eugene Hamilton read the address of our federation president, Mrs. Selywn Douglass at the territory meeting of the federation in Kingfisher, last May. It is a fine composition full of good sound sense, and worthy of the consideration of every club member in the federation. It is needless to say that it lost nothing in the excellent reading of Mrs. Hamilton.

Mrs. F. E. Riddle had a pronouncing exercise prepared, which was both instructive and amusing. Mrs. Riddle is acting as critic during the absence of Mrs. Franklin Ridgley, who is in St. Louis with an invalid sister. Recent important events in the United States, brought out many interesting items.

The club adjourned to meet next Wednesday afternoon with Mrs. Morgan Hamilton.

Chatauqua Circle.

The Chatauqua Literary and Scientific Circle met with Mrs. Chas. Rase, October 10th, at 3 o'clock, eleven members present. House called to order by President. The secretary not being present it was decided to take up the program first, which was reviewed and some interesting points brought out by the leader, Mrs. Hendrix. The history lessons were the first chapter in the history of the French revolution.

The Chatauqua lesson was the second chapter of the rivalry of nations, coming under the head of "Mid century politics in Europe." The lessons for next meeting will be the review of the history from the 1st to the close of the 3rd chapter, the same in Rivalry of Nations.

Roll call was responded to by present day opinions, respecting China and giving important dates in the present century and what it commemorated. There were some very interesting and instructive opinions given respecting China.

The question of a leader for the next meeting was then taken up. Motion prevailed that Mrs. Hendrix act as leader for remainder of the month. After some discussion and explanation by Mrs. Hendrix and others a motion to reconsider was made, the Club deciding to take leaders alphabetically. Mrs. Birge being the one selected for the next meeting. She then assigned the lesson for the coming week.

The secretary sending in her resignation, the club proceeded to elect a new secretary, Mrs. D. M. Johnson being elected. Mrs. Robt. Johnson's name being presented for membership was unanimously elected. The Club decided on using Mrs. Rose's room for club room until further arrangements, one object of the Club being to procure a room downtown for the purpose of establishing a free library and reading room.

PEPSIN SYRUP CO., Monticello, Ill.

Gentlemen—I feel it my duty to express to you my gratitude for what your wonderful remedy has done for me. I was completely run down with a complication of stomach disorders. For ten months I could not work and was treated by three eminent physicians. One insisted upon operating on me, declaring nothing short of an operation for appendicitis would cure me. A friend induced me to try Dr. Caldwell's Syrup Pepsin and from the first dose I began to improve, and have gained 25 pounds in weight and am enjoying the very best of health. I never fail to say a good word for Dr. Caldwell's Syrup Pepsin for I know what it has done for me it will do for others.

Gratefully yours,

CHARLES CURRY.
